JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

janitor has been examined, in such cases the services of the medical inspector herein provided for shall be dispensed with, and such certificate shall be furnished by such parent or guardian from time to time, as required by the board of education. Such individual records shall not be open to the public and shall be solely for the use of the boards of education and health or other health officer. If any teacher or janitor is found to have positive open pulmonary tuberculosis or other communicable disease, his or her employment shall be discontinued upon expiration of the contract therefor, or, at the option of the board, suspended upon such terms as to salary as the board may deem just until the school physician shall have certified to a recovery from such disease.

SEC. 7692-2. The State school commissioner and the State board of health, shall jointly pass rules for the detailed enforcement of the purposes of this act, which rules shall bear the seals of said board and commissioner, the said rules to be printed and promulgated by the State printer; promulgation to consist in supplying a reasonable number of copies to each school superintendent, from whom all that are interested may receive copies.

SEC. 7692-3. No member of the board of education in any district in this State shall be eligible to the appointment of school physician during the period for which he or she is elected.

SEC. 7692-4. Each board of education by the affidavit of an officer thereof or otherwise shall prove to the satisfaction of the State school commissioner that it has complied with the requirements of sections 7692, 7692-1, and 7692-2, of the general code.

SEC. 7693. The board of education of any school district may provide and pay compensation to the employees of the board of health in addition to that provided by the city, township, or other municipality.

PORTO RICO.

Communicable Diseases—Funerals—Preparation of Bodies. (Proclamation Nov. 10, 1913.)

The following amendment to section 11 of Sanitary Rules and Regulations No. 11, entitled "Regulations governing the removal of corpses, cemeteries, burials, disinterments and cremations," as promulgated in Administrative Bulletin No. 57, having been approved by the executive council on November 4, 1913, is hereby promulgated for the information and guidance of all concerned:

SECTION 1. Section 11 of Sanitary Rules and Regulations No. 11, entitled "Regulations governing the removal of corpses, cemeteries, burials, disinterments and cremations" is hereby amended to read as follows:

SEC. 11. Funeral services, with the body present shall not be held in church or in any place, for persons who have died of smallpox, Asiatic cholera, yellow fever, exanthematous typhus, bubonic plague or cerebrospinal meningitis. The bodies of persons who have died of any other diseases may be taken to the church or to any other place for such services provided that said bodies have been wrapped in sheets wet with an antiseptic solution, the formula of which shall be prescribed by the service of sanitation, and placed in a coffin hermetically sealed; and provided further that the death certificate issued by the attending physician has been countersigned by the health officer or his delegate.

Sanitary Regulations—"Urbe" and "Urban Zone" Defined. (Proclamation Dec. 22, 1913.)

The following amendment to Sanitary Rules and Regulations Nos. 2, 3, 4, 5, 7, 8, 9, 10, 11, 14, 15, and 16, as promulgated in Administrative Bulletins Nos. 44, 45, 46, 47, 52, 53, 55, 56, 57, 60, 61, and 63, respectively, having been approved by the execu-
